Hey, Hey, Hey. If you haven't heard already Leabank Primary school has a NEW website with a NEW mobile app that can be downloaded onto your mobile phone! We're confident you'll find the new website easier to use and find information that is important to you. We invite you to check out the new website and discover the improvements made to make it easier for you to access information in a more concise fashion. You will be able to report your child absent, update your contact details, check the school calendar for all school events as well as a whole lot more. All you need to do is go to google, search for Leabank Primary School, click on the link and at the bottom of the Leabank School page, download the Leabank School Mobile App.

It's that easy so if you haven't already downloaded the app, now is the time to do it. For every parent that downloads the mobile app to their phone and shows it to one of the office staff at the school's front office before Thursday 27th September, will have their name entered into a draw to win a \$100 meat pack prize. The winner will be announced on the school mobile device web page on Thursday 27th September.

On Tuesday 18th September, 10 students represented our school in the Girl's Interschool Basketball Tournament. The team played with heart and demonstrated excellent sportsmanship. They played 4 games and ended up coming 3rd place in their division. Unfortunately they did not qualify for the semi finals, but that didn't stop them from supporting and cheering on the other teams. It was a fantastic venue and enjoyable day. It was great to have some family members and parents come and support the girls. Thanks to Whaea Raewyn for helping to coach the team and a huge thank you to all the girls in the team for showing awesome LEABANK manners throughout the entire tournament.

If you are enrolling your child at Manurewa Intermediate School for 2019, can you please fill out the forms, sign what is required and return these back to school as soon as possible. If you do not have an Enrolment Pack, please see Mrs Parker or ask at the office.

Environment Week

Yesterday, Leabank School was involved in a school wide clean up initiative led by Our Young Leaders as part of the "GJ Gardner Homes Clean Up Week." All classes were allocated an area to clean between Leabank School grounds and Mountfort Park. Students were given gloves and each class with a rubbish bag to collect rubbish in their marked area. In total, we collected 9 full bags of rubbish and 2 bags of recycling rubbish. This was a great exercise for all students to learn about what materials should be recycled and also learn about taking care of our environment!
