IT'S TIME YOUR CHILDREN HAD THE EDUCATION THEY DESERVE

Schools are facing a teacher shortage crisis, with a 40% drop in people training to be teachers; and a growing number of school-aged children. In term three, 50% of schools reported that they did not have enough teachers. Schools are struggling to attract teaching staff, and that problem looks set to worsen.

There is also a desperate need for more support for children with additional learning needs.

Yet, the Government has a bumper surplus of \$5.5 billion, more than enough to fix the issues in primary education (\$0.9b).

WHAT WE ARE CAMPAIGNING FOR?

- * **More teachers – so your kids can get more attention**
- * **More resources/staff to support children with additional learning needs**
- * **A pay jolt to salaries for teachers to address the teacher shortage – so that your children will have a teacher in the future.**

SHOW YOUR SUPPORT!

Let your teachers know you support them and join in campaign activities at your local school. Find out more at <https://campaigns.nzei.org.nz/time>
