### **Parent/Teacher Interviews**

Thank you to all the families who attended Parent/Teacher Interviews this week. Parent/Teacher Interviews are really important as it provides us with great feedback. It is also a great opportunity for parents and teachers to get together and discuss your child's learning progress at school for the first half of the year and highlight areas we can help your child improve and achieve their learning goals. It was great to see many families and students involved in the interview process. We would love to see more families attend these interviews in the future.
